

# MCH Proudly Welcomes Dr. Andrew Florea and Dr. Kathy Anderson to the *all-new* Medical Specialty Clinic!

*Dr. Andrew S. Florea, ENT*

*Dr. Kathy Anderson, GYN*

MCH is excited to unveil the Medical Specialty Clinic in the professional building adjacent to the hospital. This facility will give mountain residents access to a wide range of medical specialists who will see mountain patients on a regular basis.

Dr. Florea is a Board Certified Ear, Nose and Throat specialist, who has a subspecialty fellowship in Laryngology, the diagnosis and treatment of voice and swallowing disorders. Dr. Florea is also a Facial Plastic/Cosmetic Surgeon with extensive experience in face, neck, and eyelid rejuvenation. He has performed more than 650 face lifts. He was voted one of the "Top Doctors in 2010" in the Inland Empire magazine.

A graduate of Loma Linda, Dr. Anderson specializes in the latest techniques to treat pelvic pain, heavy or irregular menstrual periods, ovarian cysts, endometriosis, pelvic tumors, abnormal pap smears, infertility and other gynecological conditions. With more than 14 years of experience, Dr. Anderson was voted one of the "Top Docs in Orange County" by Orange Coast Magazine. Last year Dr. Anderson was awarded the National Patient's Choice Award, which honors her skills, knowledge, compassion, and understanding of her patient's needs.
